Subject: Additional information regarding the tender documentation no. 1

In accordance with section 2 of the tender documentation for the delivery contract entitled **“FlowBench System for MAF Sensors”** (the notice of the announcement of the tender for the contract within OPEIC published in Bulletin of Public Tenders on 21 April 2016) the additional information regarding the Tender documentation is disclosed.

Formal mistakes in writing have been found in the binding template of the purchase contract in English, which constitutes Appendix no. 6 of the tender documentation, published on the contracting authority's profile on 21 April 2016. Therefore the updated binding template of the purchase contract in English is being published instead of the original document within this additional information. This updated binding template of the purchase contract in English is attached to this additional information and is also published and available for download on the contracting authority's profile https://www.profilzadavatele.cz/profil-zadavatele/continental-automotive-czech-republic-s-r-o_921/flowbench-system-pro-maf-senzory_13004/.
