3. Name of project in OP EIC

“Expansion of R&D capacities of Continental in the Moravian-Silesian Region”

4. Subject of contract

The subject of the contract is delivery to the performance location of the contract, installation, commissioning, operator training and testing of the functionality of FlowBench System for MAF Sensors equipment.

5. Notice

Dear Sir,

That you for participating with your bid in the aforementioned contract award proceedings , which were published in the Bulletin of Public Contracts on 21 April 2016 under registration number 636752 and evaluated on 22 June 2016.

Unfortunately, we must inform you that the bid you submitted was eliminated from further evaluation by the evaluation committee because it failed to meet the requirements of the tender documentation.

In assessing your bid, the evaluation committee identified the following deficiencies:

1. In Art. 5.4 of the tender documentation, the contracting authority required a binding deadline for completion of the contract of max. 20 weeks from issuing the order based on the signed agreement for performance of the contract. In the agreement, you state a delivery deadline of 22 to 24 weeks from issuing of the order based on the signed agreement on performance of the contract.
2. In Art. 6 of the tender documentation, the contracting authority required the submission of signing binding draft agreement for performance of the contract, in which the bidder is into authorised to make any changes or additions, with the exception of the data expressly reserved for completion by the bidder – highlighted and/or marked with [•].

The requirements stipulated in the tender documentation are binding for al bidders. The evaluation committee assessed that your company does not meet the aforementioned requirements of the TD and is therefore inadequate. Your bid was eliminated without further evaluation.

With regard to the fact that your company' s bid was the only bid offered within the aforementioned tender proceedings, the tender proceedings have been cancelled.
