

## 1) The tender's authority

- Name: VAMAFIL, spol. s r.o.
- Address: Jamská 2360/49, 591 01 Žďár nad Sázavou
- ID: 485 31 430
- Representative: Mgr. Milan Víška
- Contact: 566 620 022, vamafile@vamafile.cz

## 2) The specification of the tender's subject and requirements

- Delivery of a twisting machine for bulk production of 15 kg aramide bobbins with linear density of 1680 dtex, including adequate number of flanch bobbins for 3 doses (doffs).
- We require the machine to be equipped with independent spindels – which means each spindle with it own drive.
- **Technical parameters:**
  - Ring diameter: 200 – 300 mm
  - Gauge: 1“ – 1,5“
  - Ring-holder net traverse: max. 55 cm
  - Number of spindels: min. 80
  - Spindle speed (rpm): min. 5.000/min
  - Application: 1. and 2. twisting
  - Output bobbin: max. 15 kg
  - Range of twists: min. 10 - 600 tpm
- If there are any trademarks in this tender, they represent only a standard and tender authority allows different solution that are technically and qualitatively equal.

## 3) The exepcted value

- 9.400.000 CZK

## 4) Time and place

- The machine will have to be erected at tender's authority residence - VAMAFIL, spol. s r.o., Jamská 2360/49, Žďár nad Sázavou.
- The machine shall be delivered within 7 months after entering into contract.

## 5) Verification of competences

- Verification of basic competence regarding § 74 ZZVZ (czech tender law). Signed affidavit is sufficient.
- Verification of professional competence regarding § 77 paragraph 1 ZZVZ (czech tender law). Copy of a Certificate of Incorporation not older than 90 days is sufficient.

## 6) Quotation requirements

- The quotation must be in Czech, English or German.

- The quotation must be signed and sent via post in a sealed envelope with a „DO NOT OPEN“ sign on it. The copy of the signed quotation must be scanned and placed on CD/DVD or other data carrier that also has to be in the envelope.
- Content of the quotation: applicant's identification, offered price, offered realisation, schedule of the project, contact persons, documents verifying competences and contract proposal.

## 7) Price structure

- Price must be itemized according to individual parts of the tender's subject.
- Price shall cover all costs needed for proper, complete and quality fulfillment of this tender as well as all risks and effects related. The price also has to include insurance, guarantee, taxes, duties, charges, inflation effects and any other expenditures needed for tender realisation. The quotation price is final and it is not possible to change it during realisation (only if there is a law change of VAT).
- The quotation price shall be stated in CZK or EUR, divided in price without VAT, VAT, final price including VAT.

## 8) Evaluation

- The basic and only criterion is the price. The best quotation is the one with the lowest price.

Criterion	Weight (in %)	Point allocation
Total price in CZK	100	100 * (best quotation / evaluated quotation) * weight in decimal number

## 9) Opening quotations

- Sealed envelopes with quotations will be opened on 31<sup>st</sup> March 2017 at 12:00 in the residence of tender's authority.

## 10) Deadline for receiving quotations

- The quotation has to be submitted till 30<sup>th</sup> March 2017 in tender's authority residence.

## 11) Sales conditions

- The applicant has to include these terms and conditions in his quotation or contract proposal that will be a part of the quotation:
  - Payments shall be made within 30 days of the invoice date.
  - The warranty for mechanical parts shall be at least 1 year, for electronic and electrical parts at least 6 months.
  - Machine delivery within 28 weeks after entering into contract.

- The winner of this tender is bound to cooperate during potential financial control according to § 2 e) of czech Act No. 320/2001 Coll., on the financial control in public administration.

## 12) Quotation variants

- Tender's authority does not allow variant quotations nor additional realisations above the set requirements of this tender documentation.

## 13) Additional information

- Applicants can require additional information to this tender documentation. The request has to be written and delivered 4 days before the deadline at the latest.
- Tender's authority will send additional information of the tender documentation 2 days after receipt of the request at the latest.
- Additional information may be also provided without previous request.
- Additional information including the exact version of the request will be published on tender's authority profile and also immediately send by post to all so far known applicants.

## 14) Other conditions

- According to § 2e of (czech) Act No. 320/2001 Coll., on financial control in public administration is the winner of the tender obligated to cooperate during potential financial control.
- The tender's authority claims this tender is not a public tender nor public promise and this is not a procurement realised according to (czech) **Act No. 137/2006 Coll. On procurements.**
- Tender's authority reserves the right to cancel the tender.
